Dear LifeSmarts Captain:

Welcome to the 2010 National LifeSmarts Championship! As the captain of your team, you play a very important role as the leader and spokesperson for your team.

Your assistance in the following ways will help the LifeSmarts program run smoothly:

- Pass out the attached registration folders to your team members and coach. Be sure each team member gets one. Guests, parents, and others can register separately at the registration desk.
- Note that the packet contains a nametag, program, and other important information. Your nametag serves as your ticket to LifeSmarts functions, so please wear it at all times. Your name card will be used when you compete. Bring the name card on stage with you. Do not mark on the name cards; we want to be able to clearly read your name.
- Have each player and coach sign the attached team registration form. Note that by signing the form, the team members and coaches promise to attend all competitions and events – even when you are not competing. Read it carefully. LifeSmarts is on the “honor system,” and your entire team needs to comply to be eligible to compete and to receive prizes. You will need to turn in this form in order to receive the “goodie bags” for your team.
- Please watch the schedule and be sure your team is on time for competitions, activities, and the team photo.

There is a mandatory coaches and captains orientation meeting on Saturday, April 24 at 4:00. We'll start on time, so please arrive a little early.

Enjoy the competition and your visit to Miami Beach. Good luck!

Best regards,

Lisa Hertzberg
